## Plinth heater

Product	Code	Description	Colour	
Plinth heater	aph01ss	Electric 2kW plinth heater	Stainless steel	<b>£55.35</b>

### Features

- Stainless steel finish
- 3 heat settings: cold (fan only), warm, hot
- On-off kick switch with neon indicator
- Automatic safety cut out

### Technical specification

- Rated electrical power: 2kW
- Power supply required: 13 amps

Our 2kW slimline plinth heater provides instant heat where space is at a premium and discreet yet effective heating is required. Cleverly concealed in the 'kick space' beneath kitchen units, stairwells and fitted furniture, a plinth heater eliminates the need for a separate radiator, allowing better use of the kitchen space.
